

Student Assistance Program Assessors in Lancaster County Public Schools

The Student Assistance Program (SAP) exists in each public school to give assistance to children who are struggling in some way. Each district employs an assessor who specializes in mental health and substance abuse assessments to sit on the SAP team.

The following assessors can offer extra support to students with issues that are impeding their ability to learn. For more information on how SAP could help your child, contact his or her guidance counselor.

SAP Program Manager	Donna Soto	dsoto@pacounseling.com 201-5665
