- LFG will directly reach approximately 200 students this school year?
- Mentors from grades 6-12 are being invited to assist the facilitators in each of the schools?
- That you can do anything you set your mind to but it takes action, faith and perseverance?

W h a t ' s N e w

We are so excited to offer the Leaders of Future Generations (LFG) program to your child! Being chosen to be a part of this program shows that your child displays leadership qualities which we hope to strengthen. The goal of the program is to empower youth to become strong leaders within their school and community through skill building, mentorship and service learning. During the eight weeks that we will be with your child, we will be instilling the following values: forming family-like relationships, being a truthful guide and role model for others, showing compassion by being a “real” person, creating meaningful work and being an adaptable team player. The Leaders of Future Generations program will run for eight weeks during which time your child will complete a service project to benefit their school or community. We are eager to begin the program and witness the creativity and hard work that your child will accomplish. If you have any questions or concerns, please reach out to us.

Leaders of Future Generations

Anne Schober and Richard Khuu are the Youth Leadership Advocates who will be running the Leaders of Future Generations program. Anne has been with Compass Mark for over a year, starting as a part-time facilitator with the Leadership Institute and is now a full-time employee. Richard has been with Compass Mark since 2014. He started as an intern with the Future Generations program and became coordinator of the program in 2017. They are excited to meet and work with all the wonderful students that will make this program a success.

Joel Vargas
Mentor
8th Grade

Joel will be a mentor at Lincoln Middle School. He enjoys dancing, art and make-up. His favorite animal is a flamingo and his favorite subject is art. Joel enjoys vacationing at the beach and his role model is his mom. He hopes to one day be a fashion designer. As a mentor, Joel hopes to gain more experience in being able to lead people. The leadership qualities which Joel exhibits are kindness and being a people person which will make him a great mentor.

Keegan Kavanaugh
Mentor
7th Grade

Keegan will be a mentor at Landis Run. Her favorite subject is Language Arts and she enjoys babysitting and riding bikes. Keegan's favorite food is mac-n-cheese! Her mom is her role model because she teaches her important skills. Her favorite vacation spot is Illinois where she used to live. The leadership qualities which Keegan possesses are helping others, listening and being kind! She looks forward to being a great mentor!
