

## Tackling Addiction Trends

### 2019 Sponsorship Levels

The goal of the Positive Change Conference is to offer practical, immediately applicable tools, as well as inspiration and encouragement, to those working in helping professions where addiction is present. Our 2019 venue will place exhibitors in the heart of the Millersville University campus, the beautiful Student Memorial Center, in a high foot-traffic area, exposed to conference-goers and a steady stream of Millersville University students.
