

Anyone with a loved one struggling with addiction or alcoholism knows first hand how this epidemic devastates the lives of the families as well as the one addicted.

The suffering, often in silence, isolates those of us who experience feelings of worry, frustration, helplessness and even anger.

Our desire is to give a voice to family and loved ones. We have become as much a victim of the disease of addiction and alcoholism as the individual who is actively struggling.

We would like to thank Memorial United Methodist Church for not only giving us a place to meet but also for their support, wanting only to help the community heal.

WHAT WE DO

PURPOSE: TO TEAR DOWN THE WALLS THAT ISOLATE THOSE AFFECTED BY ADDICTION.

MISSION: TO DEVELOP A COMMUNITY THAT BUILDS EACH OTHER UP, SHARES WISDOM, PROVIDES COMFORT, OFFERS ENCOURAGEMENT AND PLANTS SEEDS OF HOPE.

If you judge people, you have no time to love them.
