- **May 8** Ethics and Boundaries for Family Peer Supports – 9am-4pm
- **To be announced** Confidentiality – 9am-4pm

The CFRS credential is for adults who have been directly impacted by another person's substance use disorder. The CFRS shares their lived experience with other families to provide recovery support services. CFRS's are trained to help families move into and through the recovery process. **Individuals who complete the CFRS Series outlined above will be eligible to obtain board certification through the [PA Certification Board](#). It is preferred that attendees complete the entire series.**
