- Online casino revenue in NJ brings in approximately \$10 million in revenue per month to the casino and just under \$2 million per month in taxes to the state of New Jersey

(data as of July 2015 – NJ DGE)

WHY IS IT POPULAR?

- Play in the comfort of your home
- Can learn and play for free then transition to real money games
- It is idolized on TV with the image of celebrity status and endorsements
- Fast paced, continuous action
- Customizable gambling experience
- Generous loyalty programs and comps
- Easy access, hidden, and available 24 hours per day, 7 days per week

5 WAYS INTERNET GAMBLING CAN BE MORE ADDICTIVE THAN CASINO GAMBLING.....

1. The use of technology makes gambling available anywhere
2. Temptation is higher since any technology device can become a virtual casino
3. Electronic transfers reduce the sensitivity to losses and can lead to higher rates of 'impulse' gambling or chasing
4. Free to play attracts a player to an online game by shifting odds in the player's favor. When the player shifts to a real money game, the odds shift back to the house
5. The use of virtual Humans lead to feelings of social participation but has the single goal increasing money wagered

WARNING SIGNS:

- Preoccupation
