

# Training & Professional DEVELOPMENT

Our training department offers quality, up-to-date workshops for educators and other adults with an interest in healthy communities. We specialize in training school personnel to respond to child and adolescent behavioral health issues.

## Our Team

**DEB MCCOY**

Director of Training & Education  
dmccoy@compassmark.org

**CHRISTINE WEIDNER**

Training Coordinator  
cweidner@compassmark.org

## Training for Educators & School SAP Teams

The **Student Assistance Program (SAP)** provides school personnel with techniques to identify barriers to student success and to implement plans to help students overcome those barriers. Compass Mark is certified through the PA Department of Education to provide both initial and maintenance training for K-12 SAP teams.

“ *This was probably one of the best trainings I have attended. I was able to learn a lot in an interesting way.*”

– SAP Training Participant

## Custom Training

Compass Mark’s **Training Department** provides education on addiction prevention and other topics that affect mental health and wellness. **Topics include:**

- Self-care for educators
- Combining SAP & MTSS
- Mental health or substance use trends
- Vaping
- Problem gambling
- Fetal alcohol spectrum disorders

**POSITIVE CHANGE**  
VIRTUAL CONFERENCE

Our virtual spring conference offers Act 48 hours and social work credits. Find more on this educational event around addiction & mental wellbeing.
