ABOUT US

COMPASS MARK'S HISTORY

In 1966, a visionary group of thirty-two leaders from the Lancaster community identified a clear and common purpose: to recognize, prevent, and alleviate the disease of addiction. Throughout our history, Compass Mark has assumed a leadership role in all aspects of addiction education, prevention, intervention and treatment.

Last year, Compass Mark provided substance use and problem gambling education, youth skill building, and information and referral services to over 10,000 people in Lancaster, Lebanon, and Chester Counties.

OUR MISSION

Compass Mark's mission is to prevent addiction through education, skill-building and community mobilization.

OUR VISION

To guide and empower all people toward healthy, fulfilling lives free from addiction.

2026 SPONSORSHIP OPPORTUNITIES
