SCIENCE-BASED ADDICTION PREVENTION

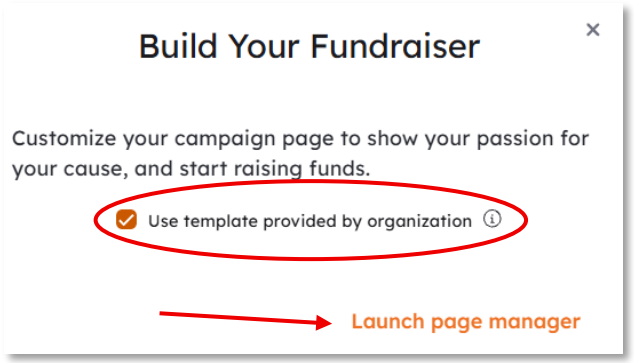

How to Create your ExtraGive Fundraising Page

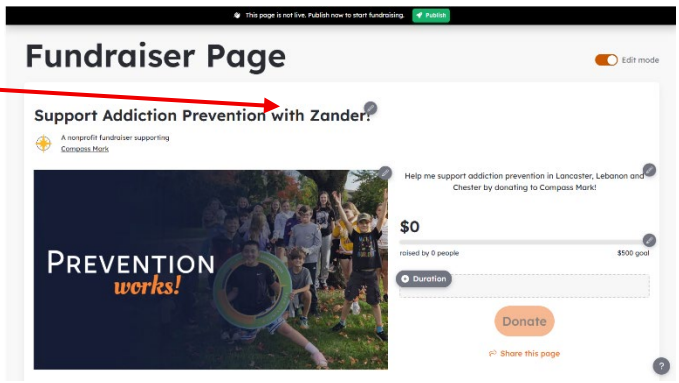

The ExtraGive is on November 20, but you can create and share your fundraising page ahead of the event to help spread the word. Thank you for participating!

1. **Visit: https://www.extragive.org/organization/compass-mark**

2. **Click on the "Fundraise" button.**
3. **Create an account. If you've done this in the past, you'll have to reset your password.**
4. **Follow the popup instructions for creating a fundraising page. You'll have the option to use a pre-made template or create your own.**
5. **Now that you're on your fundraising page, feel free to customize it however you wish!**
    a. **You can change the title and description for a more personalized feel.**

6. **IMPORTANT: When you've completed your page edits, you MUST click SAVE at the top of the text editor and then PUBLISH at the top of the browser window or you'll lose your page.**

7. **Now that your page is live, you can share it with the world! Follow the "Share Now" button for some easy options.**

   a. **When you share to social media, encourage your followers to bookmark your fundraising page and mark the ExtraGive in their calendars on November 20!**

Thank you for being a Compass Mark Fundraising Champion!
With your help, we can reach more community members who believe in addiction prevention!
